

## Weddings at Keddie Farms

*For those looking for a unique location for their wedding*

Elegant open format farm kitchen, covered decks and patios, wide-open green spaces and meadows, we are the location that will make your special day uniquely you.

### Our Diverse Venue

From *The Kitchen* to *The Forest* and *The Meadow*, the 43-acres that makeup Keddie Farms hosts an amazing diversity of locations for our events and yours.

...

### *The Farm*

*The Farm* is an active, organic, wild and diverse farm. When you visit, you'll see our poultry operation of our organic free-range chickens that sell under the Aurora Valley Poultry Farms label. Our chickens can be found in New Seasons and Basics Market. Also, growing here are organic vegetables for the farmers and a few of their favorite chefs that use *The Kitchen*. *The Farm* also hosts a medicinal and culinary herb garden filled with plants used in our lotions, lip balms and tinctures sold online. The newer addition to *The Farm's* diversity is *The Olive Grove*. A variety of Italian and Spanish olives that will one day become organic olive oil.

### *The Kitchen*

Set at the very edge of *The Forest* trails, *The Kitchen* was rebuilt from the original footprint and foundation of the old house on Keddie Farms. *The Kitchen* is the perfect venue for events, trainings, meetings, and classes. The indoor area seats 30. The covered deck with views of the forest and sunset, seats 40, then on the attached cement patio another 50-60 can be seated. The cover deck has two infrared space heaters to knock off the evening chill. Inside the open format kitchen is fully stocked and perfect to bring in your private chef or caterer. A 65-inch Smart TV hung in the media cabinets is setup with Bose sound system and internet to stream in your music of choice. Two full ADA compliant bathrooms are spacious for bridal parties needing a place to dress. Use of *The Farmhouse* is also available for parties to prepare, see pricing. *The*

*Kitchen* use includes tables, chairs, and tablecloths for up to 60 people. Sound system included if needed. *The Kitchen* use also includes access to *The Forest* trails to enjoy during the hours of the events.

## *The Party Patio and Park*

*\*The Party Patio & Park can only be rented when combined with the use of The Kitchen.*

*The Party Patio & Park*, named by the 3<sup>rd</sup> generation of Keddies, is a 30 ft. x 60 ft. opened format covered patio that is perfect for events of 50-150. Ten – 10 people tables fit perfectly under *The Patio*, and more tables or games can easily roll out on to lawn area of *The Park* that is surrounded by seasonal flowering garden beds. *The Patio* is paved and lit with beautiful up-down lighting for after-dark events.

## *The Forest*

*\*The Forest can only be rented when combined with the use of The Kitchen.*

*The Forest* is truly what makes Keddie Farms so magical. *The Forest* hosts trails through 20 acres of woods, with Ryan Creek and the Keddies named Nettle Creek. *The Forest* trails are about a 3-story drop to the heart of *The Forest* where all the creeks cross. You'll find hawks and herons, and many other wild feathered friends enjoying the woods. Moss-covered trees and running water, on the creek edge is the perfect place for unique dinners, classes, and weddings. Time spent in the valley of *The Forest*, makes you feel like you have left the modern world behind and is one of the best places to feel a little more connected to nature.

## *The Meadow*

*\*The Meadow can only be rented when combined with the use of The Kitchen.*

"This is like stepping into *Alice in the Wonderland*," claimed an eight-year-old friend recently as she stepped out of *The Forest* trail into *The Meadow*. A 5-acre meadow is another wild and magical spot at Keddie Farms. Located at the end of one of *The Forest* trails its wide openness is breath-taking. Perfect open skies for campouts and overnight retreats, but also perfect for weddings that are looking for a more natural setting to say I do. It's another place where you feel you have left everything behind and come to someplace extraordinary.

## *The Garden*

*\*The Garden can only be rented when combined with the use of The Kitchen.*

Raised beds filled with seasonal vegetables, fruit trees, and both culinary and medicinal herbs make up the space we call *The Garden*. Visitors enjoy wandering the gardens while dinners at *The Kitchen* are being prepared. Classes, as well as, Farm-to-Fork dinners and weddings are

often held on *The Garden* lawns when the weather permits. Set on the edge of *The Forest*, the sunset views are amazing.
